# TERRA

**CLASSIC, UNIQUE TUNNEL KILN PRODUCT. COLOURED THROUGH, SINTERED THROUGH, DURABLE. AND EASY TO CLEAN.**

The warm earth tones and surface give the floor an unadulterated, natural look. Terra is ceramic in its original, perhaps even primeval form.

No glaze is needed to achieve this intense colouring and the striking variations in tone. This is where the distinctively intense colours come about quite naturally through the special tunnel kiln firing. And the result is coloured right through and also durable.

VIBRANT COLOURS,  
ORIGINAL  
AND RESILIENT.
